Instructions: It is important to us to determine how well we are meeting your needs. Accordingly, we are asking you to fill out this survey, anonymously, at the end of the third-week of classes. Your instructor will designate a student volunteer who will collect the forms and take them to the office of the appropriate dean or the Weekend College site director. Your responses will be reviewed and turned over to your instructor as soon as possible. Please consider making written comments. We want to make all our courses as interesting and rewarding as they possibly can be, but that requires your feedback.
