

2009-2010 Verification Worksheet--Dependent

Your student aid report (SAR) was selected for review in a process called "Verification". In this process, our office will be comparing information from your SAR with **signed** copies of your and your parents' 2008 Federal tax return and W-2s. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your SAR and your financial documents, the financial aid office will send the corrections electronically to have your information reprocessed.

Complete this verification form and send it with a **signed** copy of your and your parents' 2008 Federal tax return and W-2s to the Financial Aid Office. Do so as soon as possible to avoid delaying your financial aid.
