PHOTO POLICY

Public Relations are an important part of the Maryville University programs. Photographs and video segments are used in various prints and electronic media to recognize members for their work and to let others know what is happening at Maryville University. Because a large number of students are involved in the University's programs, we cannot assure you that your child will not be photographed. We will ask the photographers to honor individual requests not to be photographed. Please visit with your children about your wishes and encourage them to let photographers know that they request not to be photographed.
