**Students in the Other UG group are also included in the Traditional Day (UG) group*

*** Students with a Non-Resident Alien status are removed from the state numbers as they are counted in the international numbers*

****The student to faculty ratio is calculated using the FTE of all Faculty divided by the total student FTE*

^The First Time and Transfer cohort counts all first-time/transfer students enrolled for Fall 2026, including those who attended for the first time in the Summer 2026 term, as defined by IPEDS

^^ International are students who cannot remain in the U.S. indefinitely or are non-citizens studying (non-resident alien status) from a foreign country; Domestic students are not international
