R = Required that semester to stay on track

I = Ideally taken that semester to stay on track – under extraordinary circumstances could be taken another semester

\* 18 credits can be demanding for many students. Planning to take 1 to 2 courses during summer sessions may be a worthy option to consider.

\*\* 1 DVA Studio Elective can be replaced with 3 – 1 credit studio workshops completed during any semester.

– With the exception of INTD 101, ENGL 101, and ENGL 104, though in a suggested sequence, required general education courses may be taken in any order.
