

DiversityEdu Technical Requirements and Recommendations

- You will need Internet access and audio capabilities.
- Make sure you are connected to fast, reliable wifi; even when viewing on a mobile device, the course will load very slowly or not at all if using cellular service.
- To avoid technical issues, please use any major web browser (e.g., Google Chrome, Safari, Firefox) released within the previous two years.
- You may take the course in multiple sittings. Make sure you exit out of the course while connected to reliable wifi in order to save your spot.
- Do not leave course while it's playing and look at other windows / tabs. You will lose your spot.
- Make sure cookies are allowed from all websites.
 - Safari - use these instructions and click 'always allow'.
 - If you get a 'missing key' error, it is due to the cookie settings, so please make sure to follow instructions above.
- Make sure pop ups are not blocked.
